

## **PRESS RELEASE / For Immediate Release - September 20, 2007**

### **Omnitek Engineering Corp. to trade on Pink Sheets**

Omnitek Engineering Corp. (Pink Sheets: OMTK) announced today that effective Thursday September 19, 2007 the company's shares will trade on the Pink Sheet quotation system. Quotes may be obtained at [www.pinksheets.com](http://www.pinksheets.com) under the trading symbol OMTK. The Pink Sheets are an interdealer quotation system for the Over-the-Counter securities market that collects and publishes quotes for OTC securities.

#### **About Omnitek Engineering Corp.**

Omnitek Engineering, Corp. (OMTK) develops and sells new natural gas engines and offers technology solutions for the automotive industry. Omnitek is a leader in the development of advanced engine technologies and emissions control systems for internal combustion engines burning gasoline, diesel and alternative fuels such as natural gas (CNG, LNG), liquefied petroleum gas (LPG) and hydrogen. The Company's advanced engine management systems and diesel-to-natural gas conversion technologies, have established Omnitek as a leader in the industry.

Omnitek offers a total system approach and is dedicated to the development of clean and efficient technologies for internal combustion engines, substantially reducing exhaust emissions and enhancing engine efficiency and performance. Copies of press releases and other information for investors may be found on the website [www.omnitekcorp.com](http://www.omnitekcorp.com).

Some of the statements contained in this news release discuss future expectations, contain projections of results of operations or financial condition or state other "forward-looking" information. These statements are subject to known and unknown risks, uncertainties, and other factors that could cause the actual results to differ materially from those contemplated by the statements. The forward-looking information is based on various factors and is derived using numerous assumptions. Important factors that may cause actual results to differ from projections include, among many others, the ability of the Company to raise sufficient capital to meet operating requirements, completion of R&D and successful commercialization of products/services, patent completion, prosecution and defense against well-capitalized competitors. These are serious risks and there is no assurance that our forward-looking statements will occur or prove to be accurate. Words such as "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," and variations of such words and similar expressions are intended to identify such forward-looking statements. Unless required by law, the Company undertakes no obligation to update publicly any forward-looking statements, whether as a result of new information, future events or otherwise.
