

A World Leader in Diesel-to-Natural Gas Engine Conversions

Our Product Line—Engines

Omnitek EPA Certified Engines

Navistar DT466E 1996-1999
Navistar DT466E 1999-2003
Navistar DT530E 1996-2003

Detroit Diesel Series 60
11.1L, 12.7L, 14.0L
1993-2009

Mack E7 VMAC 1994-1997
Mack E7 ETECH 1998-2002
Mack E7 ASET AI 2003-2006
Mack E7 ASET AC 2003-2006

Caterpillar:
3406E, C15, C15 ACERT, C16
1993-2006

Engine Technology Available for Export Only

Navistar DT466E Maxxforce 2004-2006

Navistar T444E 1996-2003

Mercedes OM906/Detroit Diesel MBE900/6 all years

Mercedes OM904/Detroit Diesel MBE900/4 all years

Mercedes OM460/Detroit Diesel MBE4000 all years

Mercedes OM447/OM457 all years

A World Leader in Diesel-to-Natural Gas Engine Conversions

Our Products

High Pressure CNG Coalescing Filter

Certified to ECE 110R E4

Engine Management System (ECM)

Can be used for diesel-to-natural gas or LPG engine conversions.

For engines from 4 to 16 cylinders.

Manages gas metering and ignition timing.

Lowest fuel consumption and emissions.

CNG Fuel Pressure Regulator

Natural Gas Injectors

High Energy Ignition Coils

Long Life Premium Spark Plugs
